CONDITIONING MAKE-UP REMOVER RAPID RESIDUAL REMOVAL

This IMAAGE® hyaluronic-based make-up remover promotes skin hydration, while quickly and easily removing all traces of make-up from the eyes and face. Safe for use on the most delicate areas of facial skin. It also acts as a conditioner for eyebrows, lashes and eyelids. Continued use smoothes skin texture and improves appearance of dehydrated skin.

Benefits of using this Conditioning Make-Up Removing formula:

- Replenishes moisture to entire face, eyebrows, eyelashes and eyelids.
- Bathes skin in Hyaluronic acid and Vitamin E
- Gentle, non-irritating formula
- Easily removes all traces of make-up
- Prepares skin for deeper cleansing

KEY INGREDIENTS:

- Hyaluronic Acid: Replenishing this naturally occurring skin hydrator, this ingredient can hold 1,000 times its weight in water and acts like a sponge within your skin, boosting natural skin hydration and diminishing the look of fine lines and wrinkles.
- Vitamin E: Antioxidant, free radical fighter that helps boost skin's defense against environmental damage. Encourages skin healing after trauma such as IMAAGE® laser treatments or sunburns, if IMAAGE® SPF is not used.

RESULTS: Removes all traces of make-up. Safe for sensitive eyes and contact lens use.

SKIN TYPE: All skin types.

APPLICATION: Apply to cotton pad and gently wipe across eyelids then remainder of face until all traces of make-up disappears. Rinse with cool water; proceed to washing with IMAAGE® facial cleanser.

INGREDIENTS: Water (Purified), Sucrose Cocoate PEG-7, Glyceryl Cocoate, Glycerin, Butylene Glycol, Disodium Cocoamphodiacetate, Sodium Hyaluronate Dimethylsilanol, Carbomer, Cocoamidopropyl Betaine, Triethanolamine, Polysorbate-80, Xanthan Gum, Tocophenyl Acetate (Vitamin E), Phenoxyethanol, Methylparaben, Ethylparaben, Potassium Sorbate, Propylparaben, Butylparaben
