MINERAL DUO POWDER BRONZE AND SHIMMER

Infused with Vitamins A, C and E for added antioxidant benefits, this hypoallergenic, matte bronzer and shimmering powder in one compact minimizes fine lines and maximizes a healthy glow.

Benefits of using this Mineral Duo Powder:

- Creates a Natural, Healthy, Bronzy, Sunless Tan
- Contains Anti-Aging Properties
- Color Coordinated for wear over moisturizer or foundation
- Highly compatible with common skin sensitivities

RESULTS: Brightens and highlights key features and promotes the appearance of a natural, yet sunless tan.

SKIN TYPE: All skin types

APPLICATION: Shake the Natural Mineral Shimmering Powder back and forth to get excess powder loose into the tray. Gently glide over the powder with the IMAAGE® Pad to grab the powder, then tap off any excess. Apply to areas of the face that need coverage by working into the skin in a circular motion.

INGREDIENTS: Polyethylene, Zinc Stearate, HDI/Trimethylol Hexyllactone Crosspolymer, Tricaprylin, Nylon-12, Boron Nitride, Caprylic/Capric Triglyceride, Magnesium Myristate, Isopropyl Myristate, Isopropyl Palmitate, Hydrogenated Lecithin, Retinyl Palmitate, Tocopherol, Ascorbyl Palmitate, Methylparaben, Propylparaben, Imidazolidinyl Urea. May contain Mica and other c1 colors.

NET WT: 0.37oz
