ULTRA FIRMING EYE ANTI PUFF LOTION

A firming lightweight lotion that minimizes the appearance of dark circles and puffiness whilst protecting the sensitive area around the eye.

Benefits of using this Anti Puff Lotion

- Minimizes dark circles
- Reduces eye puffiness
- Boosts Collagen Production
- Firms and smoothes eye contour

KEY INGREDIENTS:

- Active Peptides firm the skin and help reduce the appearance of puffiness and dark circles in the eye area.
- Marine Algae Extract quickly firms skin and provides long-term anti-aging effects by protecting skin cells from oxidative stress. Strengthens collagen and elastin fibers promoting a firmer more youthful eye contour.

RESULTS: Reverses sagging and wrinkles whilst creating a youthful lift

SKIN TYPE: All skin types, great for men too

APPLICATION: Twice a day apply with ring finger on upper and lower lids after cleaning.
