SALICYLIC FACE & BODY WASH CELL EXFOLIATING CLEANSER

This IMAAGE® Salicylic Cleanser washes away skin cell debris, refining and minimizing the appearance of pores. This refreshing cell exfoliating cleanser contains the FDA maximum allowed strength of salicylic acid, without a prescription, and is ideal for all skin types. Uniquely formulated to calm and clear acne and dry, flakey skin conditions.

Benefits of using this cell exfoliating formula:

- Gently clears skin cells.
- 2% salicylic acid helps fight acne and signs of aging.
- Calms bikini and razor bumps.
- Deep cleans pores.
- Ideal for body breakouts.

KEY INGREDIENTS:

- 2% Salicylic Acid: This cell exfoliating ingredient works by ungluing dead skin cells from each other and is renowned for its power to penetrate into the pores and dissolve oil & debris inside. 2% represents the maximum strength of Salicylic available without a prescription.
- Lathering Ingredients: Formulated with non-irritating and non-comedogenic foaming ingredients that will not cause redness or acne breakouts and serve as a good alternative to sodium lauryl sulfate. Ideal for acne-prone and sensitive skin.

RESULTS: Helps combat the signs aging; help clear and prevent the development of new acne blemishes.

SKIN TYPE: All skin types.

APPLICATION: Use it in the shower 1-2 times a day, on areas prone to breakouts, including shoulders, bikini area, chest, back, and neck. Rinse off well with lukewarm water.

INGREDIENTS: Water, Lauroamphodiacetate Sodium Trideceth Sulfate, Hexylene Glycol, Butylene Glycol, Cocamide DEA, Trethanolamine, Salicylic Acid, Xanthan Gum, Diazolidinyl Urea, Methylparaben, Popylparaben, Sodium EDTA
