AHA MARINE MOISTURE CRÈME INTENSE MOISTURE SURGE

A powerful perfecting cream with highly active Algae Peptides, plus glycolic acid (a gentle exfoliant). This unique formula brings skin alive and reverses the signs of aging.

Clinical Trials shows that after four weeks of twice daily use:

- Skin smoothness increases 62%
- Skin firmness increases 32%
- Appearance of fine lines decrease 41%

Benefits of using this Marine Moisture Crème:

- Promotes youthful glow
- Improves smoothness & firmness
- Promotes collagen formation
- Super-hydrates the skin

KEY INGREDIENTS:

- Hawaiian Red Sea Algae Peptides: promotes collagen formation to smooth skin creases. It also super-hydrates the skin as well as increases skin renewal.
- Organic Exfoliants (Glycolic): removes the dead outer layer of skin allowing regenerated cells to rise to the surface.

RESULTS: Retextures and regenerates skin rapidly, eliminating imperfections and decreases overall appearance of fine lines resulting in tight, glowing, youthful skin

SKIN TYPE: All skin types,

APPLICATION: Apply evenly to entire face avoiding the eye area. Use twice daily. Apply on freshly washed skin; in morning apply with IMAAGE® Replenishing Sunblock SPF 36; in evening leave on overnight;

INGREDIENTS: Water, Algae Extract (Water & Butylene Glycol & Ahnfeltia Concinna Extract), Stearic Acid, Caprylic/ Capric Triglycerides, Glycerin, Cetyl Alcohol, Glyceryl Stearate & PEG100 Stearate, Octyl Palmitate, Xanthan Gum, Methyl Paraben, Propyl Paraben, Diazolidinyl Urea, Dimethicone.
